Awareness: The Path to Transformation

The Daily Word:

The pure essence of Being - the I AM in me - is whole and unchanging. What expands and changes is my awareness of it.

Some days I may only see my perceived flaws and mistakes. When I tune in to prayer, Spirit reminds me I am Divine Love.

This is the truth of who I am. I am more than my body or my personality.

My thoughts, emotions and persona do not define my essence.

I am a spiritual being, encompassed in the Oneness. My true nature is pristine consciousness.

As I stay centered in this realization, each day reveals more of the love, health, and wisdom I am. I express God in ever-greater ways.

Rather than being your thoughts and emotions, be the awareness behind them.

Eckhart Tolle

Divine mind is the one and only reality.

Charles Fillmore

All of us, with unveiled faces, seeing the glory of the Lord as though reflected in a mirror, are being transformed into the same image.

2 Corinthians 3:18
