TODAY'S WORD IS: Wow!

AFFIRMATION: Touched by grace, living in gratitude, I am opened hearted to the awe and wonder of life.

Each day I am awakened anew to knowing the presence and power of God in the world, and in my life. I see with awe and wonder the display of the Divine everywhere. In the magnificence of the heavens, the beauty of a flower, the laugh of a child, the kind word of a friend, daily I rediscover wow!

In gratitude I go about my day, open hearted to the mystery and magic of Spirit, able to look beyond appearances and ... “To see a world in a grain of sand and a heaven in a wild flower, to hold infinity in the palm of your hand and eternity in an hour.”

In awe and wonder I see the presence and power of God everywhere and live in the loving embrace of oneness. I feel peaceful and assured that God's infinite grace and good are sufficient for my every need. As I live daily in the attitude and intention of gratitude, grace and generosity, I am able to rediscover wow and participate in the awe and wonder of life.

SACRED TEXT: “No good thing will God withhold.” PSALMS 84:11.

TODAY'S INSPIRATIONAL QUOTES: From Albert Einstein

“One cannot help but be in awe when we contemplate the mysteries of eternity, of life, of the universe. It is enough if one tries merely to comprehend a little of this mystery every day. Never lose a holy curiosity.”

“There are two ways to live: you can live as if nothing is a miracle; you can live as if everything is a miracle. The most beautiful thing we can experience is the mysterious. It is the source of all true religion, art and science.”

“Any man who can drive safely while kissing a pretty girl is simply not giving the kiss the attention it deserves.”
